

The Humboldt County Fair Junior Livestock Auction is a culmination of a year's work and activities for 4H and FFA Exhibitors.

As a learning and business venture, our young entrepreneurs have selected, fed, and managed their projects to bring the best quality animal to the fair.

Thank you for your support!

Sale Proceeds are reinvested into student's projects or set aside for future educational expenses!

Humboldt County Fair

Junior Livestock Auction

Buyer's Guide

August 24, 2025

11:00 a.m. - BBQ

1:00 p.m. - Auction

4 Simple Steps to Purchasing an Animal

1. Register as a Buyer

New Buyers can register at the bankers table on the day of the auction.

Previous Buyers will automatically receive buyer's numbers in the mail, and should log onto the fair website to update contact information.

Please ensure to enter a current email address and cell phone number!

Scan the QR Code above to visit the fair website!

2. After your Purchase

Following the winning bid, buyers were asked to have their photo taken with the exhibitor.

At that time, you will be asked to sign a sales slip verifying the price of the animal and your preferences for handling your purchase, cut & wrap, donation, and resale.

Cut & Wrap options can be found on the back of this brochure.

3. Add- On Bids

A great way to help an exhibitor, without the obligation of purchasing an entire animal, is to add-on to their sale price. Individuals are able to add-on any desired dollar amount to the final price the seller will receive for their animal.

Add-ons are open for one week after the auction and can be made through the HCF Website !

4. Payment Options

Many youth have loans/costs that require repayment from the sale, so prompt payment is necessary. Same day payment is expected. Cashiers will be present on site during the sale to help with these purchases. Checks, cash, Visa & MasterCard are accepted.

Donating your Livestock Purchase

The Humboldt County Fair Junior Livestock Auction is a terminal sale. By entering in any auction-eligible division, the exhibitor(s) are agreeing to the sale and processing of the animal.

Buyers may donate a purchase to a specific organization or charity- local food banks, 4-H Lamb BBQ, or FFA & the Junior Livestock Auction BBQ- is possible! This can be specified on the sales slip after purchase.

Tax Deductible Donation

All purchased amounts over market price are tax deductible.
